CALL FOR ENTRIES - UCI MASTERS MTB WORLD CHAMPIONSHIP DHI/XCO NEVADOS DE CHILLÁN, CHILE, MARCH 25-28, 2027

The Chilean National Cycling Sports Federation, the Regional Government of Ñuble and Nevados de Chillán invite all licensed riders aged 35 and over with no UCI points as of January 1, 2027 to participate in the UCI Masters MTB World Championship XCO, to be held from March 25-29, 2026 at the Nevados de Chillán Mountain Resort, Ñuble Region, Chile.

The 2026 UCI Masters Mountain Bike World Championship at Nevados de Chillán was a top-level international event that brought together more than a thousand competitors from 31 different countries. A large-scale competition that stood out for its excellent organization, high sporting level and operations worthy of a world-class event.

VENUE

Nevados de Chillán is one of the most prominent mountain destinations in South America and home to the most important bike park on the continent. With volcanic landscapes, native forests and world-class trails, it has hosted prestigious events such as the Enduro World Series (EWS), the Open Shimano and multiple Chilean National and international MTB Championships.

Its world-class infrastructure — modern lifts, specialized logistics and athlete-focused services — ensures an optimal environment for top-level competition. A key advantage is the ability to stay within the mountain resort itself, just meters from the competition area, with no need for daily transfers.

Located in the Ñuble Region, 8 km away is the mountain village of Las Trancas, with a wide range of hotels, restaurants and MTB trails. Chillán city is 80 km away, offering medical services, connectivity and tourism options for riders and companions. The nearest airport is Carriel Sur in Concepción, 250 km away.
